These changes help alleviate issues in regards to freight loss, shortages and damaged goods we have been experiencing over the past years.

10 Year Limited Warranty

Subject to the conditions and limitations in this Limited Warranty, Wavin guarantees its FlowGuard Gold® pipe and fittings against defects resulting from faulty manufacturing for 10 years from the initial date of sale by Wavin. Wavin will not be liable for damages caused by raw materials or component defect failures. Defects and failures must be reported to Wavin within 30 days after such failure occurs. The claimant under this Limited Warranty will be required to return the product to Wavin at claimant's expense for analysis by Wavin. If the conditions of this Limited Warranty are met, Wavin will ship, free of charge and freight prepaid, a quantity of product equal to the failed product or will reimburse the purchase price of the failed product at Wavin's option. In no case, will claims for labor charges, consequential property damage or personal injury be honored.

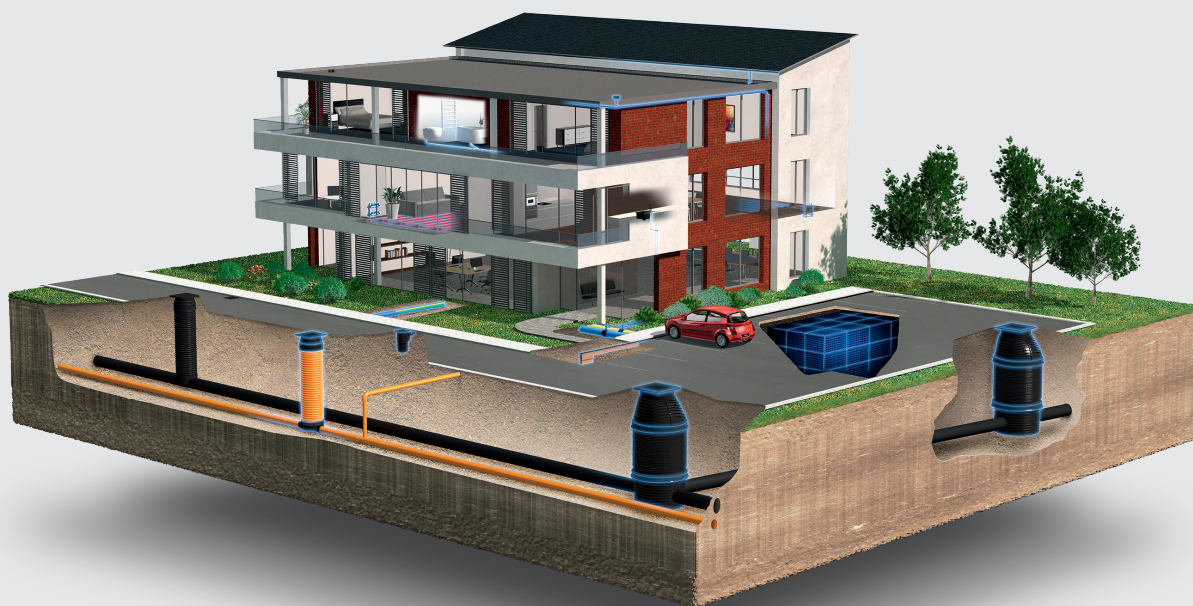

This Warranty is the only Warranty made by Wavin and is expressly in lieu of all other warranties expressed by anyone or implied, including implied warranties of merchantability or fitness for a particular purpose.

The Limited Warranty will only apply:

1. If the product is installed in accordance with good plumbing and heating practices, applicable code requirements and Wavin's current published installation instructions and,
2. If the product is not misused, abused, kinked, mishandled, damaged, improperly stored, or improperly exposed to UV or exposed to excessive heat, cold or pressure or incompatible media.
